PROCEEDINGS OF THE FIFTEENTH ANNUAL ENCAMPMENT

OFFICER REPORTS

ADDRESS BY COMMANDER-IN-CHIEF D. BRAD SCHALL TO THE FIFTEENTH ANNUAL DEPARTMENT OF KANSAS ENCAMPMENT D. Brad Schall, PDC

It's good to be home. Commander-in-Chief job is one of choices. It is recognition that you will have a very short period of time to make a difference. You can make of it what you want it to be.

We sent a simple direction for the Order: LLPH.

I'm seventy-one years old, born on this wonderful prairie in Reno County. I visited yesterday with a cousin here in Lawrence, and we relived our wonderful childhood and recounted growing up in Hutchinson. I have always said that Kansas was unique in the fact that it was a place and a state of mind. Most places are one or the other.

I would like to thank my Brothers and Sisters from Kansas that have supported our Order and who have dedicated so much time in Honoring the Boys in Blue.

I would like to acknowledge the outstanding job that Alan Russ has done on the Council of Administration and my Chief of Staff. He has been the perfect Chief of Staff, and I couldn't have done my job without his help and support.

This is an exciting year for our Order. We start the Sesquicentennial of the American Civil War. The Sesquicentennial Committee has developed a program for you to participate in. I hope each Department and Camp will participate with a signature event. Become active with your local and state Sesquicentennial Committees. You can find information on our National website at - www.suvcw.org.

Does anyone know what the heading says on the National Website?

"Preserving the Memory of the Grand Army of the Republic and our Ancestors who fought to preserve the Union 1861-1865" "(The largest GAR and SUVCW resource on the web with over 1,700 pages of information)"

There are 13 categories, 133 lines or topic items and over 1,700 pages of information.

Our website does an outstanding job in promoting the Order. In the last five years the Order has increased the number of hits by over 13 million from 4,068,746 in 2006 to 17,085,531 in 2010. Thank you to National Webmaster Freshley for the job you do.

While I'm talking about the website. -- You can go into the Commander-in-Chief's forum. -- Straight Line.

Our Patriotic Instructor program has gone from so-so to one of the very best under the direction of Brother Don Martin. This should be a regular part of each meeting that we have. I read about forty Camp and Department newsletters a month and I can see the increase in Patriotic Instructor activity.

Our Graves Registration Program continues to be refined and each year we have a significant increase in Camp, Department and general public participation. I suspect that is one of the reasons that we are having so many hits on our website. Brothers Frail and Freshley and their committees are working hard on program enhancements that will make the program better. This activity has always been a prime goal of our Order.

Our Memorial Program is being reviewed and ways are being sought to improve the reporting and funding by the Memorials Committee and the Memorials Grant Committee. There has been an increase in activity and interest this year. We are charged with maintaining these Memorials.

Jerry Sayre from California is fond of saying, "Recruit, Recruit and Recruit." The future of our Order depends on a growing membership. The more Brothers we have to Honor the Boys in Blue the better off we are.

Awards and certificates that are available -- Let me talk about them in general.

The Commander-in-Chief has a GAR certificate that can be given to anyone that supports our mission, from Brothers and Sisters in the Order, to local politicians, cemeteries, civil organizations, NPS. Let the Commander-in-Chief know who you would like one made out to and he will send it to you. There is a certificate of appreciation to Brothers and Sisters of the Order. Then there is the Meritorious Service award, this is awarded to someone that has done something special or unique and someone has recommended them to the Commander-in-Chief or the Commander-in-Chief recognizes these efforts. All these awards are given out by the Commander-in-Chief. The Meritorious Service Award with Gold Star is given with the approval of the CofA.

Last but certainly not the least is our responsibility to report our activities in a timely and efficient manner. Several changes have occurred on IRS regulations, several changes in our forms and each must be forwarded to the proper person or identity. Your Department Secretary is addressing those issues at this encampment.

Thank you all for all the many things you do. You are the best.

Our theme for the year is:

"Learn who we are -- Learn what we do -- Participate in what we do -- Honor the Boys in Blue"

Please come to the National Encampment in August. Think about California in 2012 and Wisconsin in 2013. We need your input and participation in managing our Order. Besides that, Encampments are fun.

PROCEEDINGS OF THE FIFTEENTH ANNUAL ENCAMPMENT

DEPARTMENT COMMANDER REPORT

James R. Knopke, PDC

It is hard to believe that another year has come and gone. It has been a memorable one with the high point being the Department hosting its first National Encampment. SENIOR VICE DEPARTMENT COMMANDER REPORT AND "FACEBOOK" REPORT

Roy A. Lafferty, PDC

As Senior Vice Commander I represented the Department at the National Encampment which I will report on later.

I also attended the fall council meeting where I proposed that department develop a Facebook page which was approved and will report on later.

I also attended the Department Training session and the spring council meeting

This past fall the Department created a Facebook page for communicating to the brothers and recruitment. As of Tuesday, April 26, 2011, we have:

39 Fans

56 Active Users (Fans and Nonfans)

1,217 views of posts

The demographics are broken down as follows:

85% Male

65% were 45 or older

Our Fans are not only from the state of Kansas and the Country but we have Fans in Canada and Italy.

It is hoped that the page will continue to grow and be used by all in the Department. Camps are encouraged to post meetings and events for all to see.

JUNIOR VICE DEPARTMENT COMMANDER AND GRAVES REGISTRATION OFFICER REPORT

Robert L. Wandel, PCC

Commander submitting four new members applications. Three of these members were placed in the Olathe Franklin Camp #5 and one was placed in the Wichita Patrick Coyne Camp # 1.

At our spring training meeting the topic of "How do we recruit new members" was discussed. All camps were encouraged to try to get the members to help in the effort to recruit. The job is tough but if the SUVCW is to succeed in Kansas we will all have to try to join in the effort to recruit new members.

As Department Graves Registration Officer, the camps have been encouraged to add names to the National Graves Registration Databank.

PROCEEDINGS OF THE FIFTEENTH ANNUAL ENCAMPMENT

Due to the cost of gasoline my trips as well as others researching cemeteries has decreased. Thus graves registration has fallen from that of previous years. I would suggest that if there are any cemeteries near to where any members live, they should check the database and see if it has been recorded or not. If it has not please add the information or send it to me and I will record it into the National database.

I have taken on the work of recording GAR members for Posts in Douglas County. I have made several trips to the Kansas State Historical Society and searched the old GAR records. In doing so I came across an individual who has accumulated the records for Jackson County and he was kind enough to burn a copy for the SUVCW. Submitted with Fraternity, Charity and Loyalty

SECRETARY/TREASURER REPORT

Alan L. Russ, PDC

The proceedings of the 14th Annual Department Encampment, April 24, 2010, were properly published and approved by the full Department Council. Electronic copies were furnished to each Department Officer and Camp Secretary. They are also available at the Department website www.suvcwks.org.

The Department strength as of March 31, 2010 was as follows:

Hereditary Members:	120 (including 6 Life Members)
Associates:	7
Junior:	6
Junior Associates:	0
Dual	2
Total:	133 (with 127 being reportable strength to National)

The Department strength as of March 31, 2011 is:

Hereditary Members:	110 (including 7 Life Members)
Associates:	5
Juniors:	5
Junior Associates:	0
Dual	2
Total:	120 (with 115 reportable to National)

The above numbers represent a net loss of twelve reportable brothers for the Department. The previous year had a net loss of fifteen. This is not a good trend, and, if it continues, the Department of Kansas will soon have the unpleasant distinction of being a “double-digit” department, again.

As Department Secretary I attended the Department at the 2010 Fall Council Meeting, 2011 Winter Training Session and 2011 Spring Council meeting. I also attended the National Encampment at Overland Park, Kansas, in August 2010, the Gettysburg Remembrance Day and National Council of Administration meeting at Gettysburg in November 2010, and the Lincoln Tomb Ceremony and National Council of Administration meeting in Springfield, Illinois, in April 2011.

It continues to be my honor to serve the Department in this capacity this past year, and I look forward to serving another three year term of office.

In Fraternity, Charity, and Loyalty,

Secretary

TREASURER REPORT – DEPARTMENT GENERAL FUND

In connection with my move to Saint Francis, Kansas, I also opened a new checking account for the Department at the First National Bank in Saint Francis. This was obviously done for my convenience. Yesterday, on my way to Lawrence, I stopped in Topeka and closed out both the Department of Kansas general account and the remaining Department of Kansas 2010 National Encampment account in order to transfer the remaining funds to the account in Saint Francis.

Each month, I email the members of the Department Council all of the monthly bank statements, along with the spreadsheet for the accounts, in order that they are able to perform their duties in reviewing the funds. This keeps it easier than doing it quarterly.

I also converted the spreadsheets from an “encampment to encampment” reporting period to the correct fiscal year reporting period. Our fiscal year is the calendar year. As such, the following report is from January 1, 2011, through yesterday.

PATRIOTIC INSTRUCTOR REPORT
S. Todd Meek, PCC

I am very happy to report all of the camps in the Department of Kansas have shown great patriotism throughout the year. All of the camps provide patriotic instruction at their camp meetings and in their communities. The camps attend parades, rededication ceremonies, and provide color guards several times throughout the year. Every camp attends Memorial day ceremonies and in some camps they attend up to five different ceremonies during the weekend. There are many reenactors in our camps that provide school programs and attend events, providing great history lessons for children and adults. Overall the camps in the Department of Kansas are learning and teaching the history of the men of the Grand Army of the Republic.

I attended the National Encampment, that the Department of Kansas had the honor to host in Overland Park, KS this past year. The Department provided a Color Guard for the encampment and was received very well by all that attended. I also was able to meet and speak with National Patriotic Instructor Brother Don Martin. I would like to say thank you to him for his time and knowledge. I enjoyed the National Encampment very much and would recommend to anyone that did not get to go, to go to at least one in the future. I would also like to thank the committee that worked so hard for so long to bring the National Encampment to Kansas. I thought the Department of Kansas represent the state very well.

HISTORIAN REPORT
(Last Soldier Project, GAR Records Project)
Blair D. Tarr

As in previous years, I have combined three reports for the sake of convenience, since they do overlap somewhat. I am also indicating some matters that exist in my position of museum curator for the State Historical Society, as they may be of some interest to the order.

In regards to the job that pays the bills, the State historical Society has set tentative plans for a sesquicentennial exhibit on the Civil War. While the exact nature of the exhibit is still to be set, the tentative dates are August 15, 2013 until a yet undetermined date in late 2014. You may assume that late 2014 date will be after October 19-25, as the exhibit will be up for two of the larger events in Kansas during the Civil War, Quantrill's Raid on Lawrence and the Price Raid battles including Westport and Mine Creek.

To this end, collections staff at the museum is working at researching and cataloging the Civil War collections. This is to get a better handle on what we have. You may know when the G.A.R. was still active and had its headquarters in the Memorial Building in Topeka, they had their own museum. They made arrangements for that collection to eventually be absorbed by the Historical Society. I hate to say it, but whatever our ancestors were as soldiers in saving the Union, they were not so good at keeping records of artifacts—at least as far as anybody's been able to tell. That collection lacks information, which means that many things may make excellent collectors' pieces, but rather limited in telling stories of the historical past.

I do find myself giving mini-Civil War lessons to my colleagues, which may not be the worst situation to be in.

One item that may happen in the nearer future is a restoration of a G.A.R. exhibit in the lobby of the G.A.R. Memorial Building in Topeka.

I will also add that the flag preservation project continues to be slow going. We do still receive funds from people but it is not enough to get any flags done. My concern is that whatever flags are not treated by the end of the Sesquicentennial, may not be done for many years to come.

PROCEEDINGS OF THE FIFTEENTH ANNUAL ENCAMPMENT

As Department Historian I have, as usually occasionally received inquiries which I have tried to process promptly and come up with sufficient answers, or at least pass on to someone who may have the answers

It is with the Last Soldier project and the G.A.R. Records project that I have tried to get to a point where we can get the most out of them. With the Last Soldier Project, we are still essentially where we were last year—about 13 counties short of having a Last soldier in each of the 105 counties. It is a matter of getting the material organized into something usable.

The same holds true with searching for G.A.R. records. We are probably lucky that much is in the hands of the Historical Society Archives in Topeka, but it's finding those things that are still scattered around the state.

With both of these projects, it is my wish that I can put these in some basic order so that I can ask the Department for advice on how to proceed with them. And by that I am suggesting that I may ask of you assistance in tracking down some loose ends.

The Memorials/Monuments Catalog is essentially finished. All updates and known or suspected sites have been visited and recorded with only a very few exceptions. At present, the listing for Kansas includes

- 196 primary memorials
- 1 primary memorial requiring photos
- 195 secondary memorials
- 6 memorials (unknown) requiring history research
- 2 counties (Logan and Scott) with no memorials found
- 11 gone but not forgotten

A search like this is never complete but, at present, other than researching some of the unknowns, there is little left to do. I encourage all members to keep looking however. There are undoubtedly some monuments or memorials remaining to be found.

CAMP REPORTS

CORPORAL PATRICK COYNE CAMP 1, WICHITA

Robert T. Bennett

In 2009 the camp took on a project at Wichita's Highland Cemetery – WRC/GAR section. They scheduled Saturday workdays during summer of 2009 and completed the project in the Spring of 2010. They raised and straightened 13 stones and cleaned all the stones in the area. At the spring 2010 work day they cleaned and trimmed the area around the memorial cannon and benches. They also repainted the cannon and benches. They held their Memorial Day meeting ceremony there in May 2010.

They have continued their "Adopt an Overseas Soldier Program" with a 2 boxes of wanted items going overseas to soldiers that are indentified thru some connection to camp members. The camp received a listed of needed items by a personal contact with a member of the unit. Members purchased items from this list and brought them to a camp meeting for shipment overseas. These items are very much appreciated by the men and women serving our country so far from home.

The camp sent a number of delegates to the National Encampment in Overland Park in August 2010 as well as providing the members for the Dept. Color Guard.

Brother Richard Bennett was elected Camp Commander in Oct 2010 replacing Brother Todd Meek who completed (2) terms as Camp Commander.

The camp is focusing on trying to recruit new members this year. Brother Meek has put together a recruiting box with the necessary display info and items for any member to set up at almost any event that be used for a recruiting opportunity. Camp Commander Richard Bennett set up a recruiting booth at "Civil War Days" at Cowtown in Wichita, KS on Saturday, April 16. As a result we have a handful of potential new members.

The camp continues to meet on its regularly scheduled night following the ritual with a short civil war related program as part of the evening schedule.

FRANKLIN CAMP 5, OLATHE **Commander Lane D. Smith, PCC**

The membership drive recently concluded with 20 members and 2 associate members. These are the same numbers we started the 2010 year.

This past year the camp participated in 3 parades, the Shawnee Parade in June, the Olathe Old Settlers Parade in Sept and the Veterans Day parade in Leavenworth on Veterans Day in Nov. The past 3 years the Veterans Day parade chairman has asked our camp to participate in a joint Color Guard with the local SCV camp and the reception has been very good. We expect to participate in these three parades again this year.

In Nov our camp provided in an artifacts display at the Gardner Historical Museum for their 6 week Military History display. Sr V Commander Dave Tolefson has a very nice display of artifacts for that event. From that event we expect to enroll a new member. On July 9th Dave will also display his artifacts at the Battle of Wesport Museum for their annual event.

Our camp continues to have both a Memorial Day service and a Veterans Day service at the GAR Monument in the Olathe Cemetery. This past Veterans Day we honored a WWII veteran of the Gardner American Legion. This coming Memorial Day we will honor approximately 14 WWII veterans of the VFW Post 846 of Overland Park. We always like to include participation by the ROTC cadets of two of the local high schools as the color guard, also participation by a local Boy Scout troop and a volley detail of the local reenactor group Elliott Scouts.

Since their initial burial back in the 20's and 30's, two Union soldiers buried at the GAR monument circle never had markers. We just recently secured those markers, one of them being a soldier of the 2nd Kansas Colored Infantry. It is expected at this time to have a Memorial Service for both these markers sometime in early Fall. Preliminary preparations for that service have begun.

This spring we awarded the SUVCW medal to a ROTC cadet at the awards banquets for the Washington High School AFJROTC, The Leavenworth high school AJROTC, the Shawnee Mission North NJROTC and the SMWNJROTC.

We continue to hold our meetings on the 4th Thurs each month, except for July, Aug and Dec, at Bass Pro Shop restaurant in Olathe. With each meeting we have Patriotic Instruction and generally it is with a member of the camp. For example, in Feb camp Sr V Dave Tollefson gave a presentation on the Massacre at Centralia, March Roger Millers subject was Civil War Medicine, April Verle Olsen was Ol Gl Jubal Early and in May Commander Smith will give a program of a CWRT tour of the Battle of Carthage.

Each month our camp newsletter, The Old Flag, is published by camp member and former Dept Commander Jim Converse.

Lane Smith
Camp Commander

OLD ABE CAMP NO. 16, TOPEKA **Commander Kent M. Melcher**

For the past two years, Old Abe Camp's primary focus has been on Patriotic Instruction and programs. Brothers of the Camp have highlighted their ancestors' family histories, service records, and their lives after the War of the Rebellion. In addition, the Camp has enjoyed programs from outside speakers, including, notably, the pastor of the Louisburg United Methodist Church, Reverend Donna Voteau, who brought to a monthly meeting the personal flag of General U.S. Grant. Reverend Voteau indicated that the flag was hung outside the tent of General Grant when he attended GAR Encampments. Apparently, he presented it to the local GAR post. The authenticity of the flag has been documented by US Army historians at Ft. Leavenworth, Kansas.

Old Abe Camp has also continued for many years to maintain the GAR section of the historic Topeka Cemetery, and has sponsored Memorial Day services at the cemetery for several consecutive years. In addition to a short program of memorial, Boy Scouts in the area assist camp members in placing flags on the graves of Civil War veterans.

The Camp has a goal of increasing its total membership in 2011 by encouraging brothers to invite those they know who have Civil War ancestors. We have also put together a very attractive brochure, which JVC Brother Conrad Fisher has placed at the Topeka-Shawnee County Library, the Combat Air Museum, and Constitution Hall in Lecompton. We will man a booth at the Kansas 150th Armed Forces Celebration at Forbes Field on June 4 and 5,

PROCEEDINGS OF THE FIFTEENTH ANNUAL ENCAMPMENT

2011, which includes a parade. Some of the brothers intend to march in the parade, carrying the Camp flag. We are also considering having a booth at Cider Days.

Planning for our annual Memorial Day program is underway, with Brother Earl McIntosh in charge. We hope to add to the solemnity of the day with a bugler playing taps, a drummer playing a dirge drum roll, and perhaps an honor guard doing a 21-gun salute.

The Camp has agreed to change flags monthly at the Union Pacific Great Overland Station in north Topeka. The flags need periodic maintenance, and therefore must be examined periodically for damage. The Camp will lower those flags that need maintenance and hoist a replacement flag. Flags that have been taken down for maintenance will be repaired and stored to be hoisted again in the future.

The Camp has been approached to set and dedicate two gravestones, one at the Topeka Cemetery for Daniel Armstrong, and another in the Densmore Cemetery in Norton County, Kansas, for Orrin Barden. Submitted in Fraternity, Charity, and Loyalty,

2011 CENTRAL REGION ASSOCIATION REPORT

First, there is no report on the 2010 Central Region Association Conference because it was not attended by any brothers of this department.

The 2011 conference is scheduled for October 1, 2011, in Rockville, Indiana, and will consist of a morning tour of the area's wooden covered bridges. The meeting will take place beginning at 1 PM and should last until approximately 5 PM. The anticipated program in the afternoon will involve the National Webmaster, Ken Freshley, talking about websites. There will be a banquet on Saturday evening for those wishing to attend.

To my knowledge, no one from the Department of Kansas is planning to attend this conference.

We have had only limited participation in the CRA with only minimal attendance. Frequently, that attendance from this department was only myself or myself and one other brother. We hosted the 2005 CRC in Lawrence, Kansas, with a lower than expected attendance attributed to the distance Kansas is from other departments. Since the first weekend of October is usually a NASCAR race event at the Kansas Speedway, it is extremely difficult to find reasonably priced lodging to host another CRC in the Eastern portion of Kansas. Attendees at the 2010 CRC expressed no desire to attend an event in Kansas which was much past Lawrence. It should therefore be understood that Kansas does not plan to host another conference.

RECOMMENDATION: It is my recommendation to this body that the Department of Kansas, SUVCW, notify the Central Region Association of the Allied Orders of the Grand Army of the Republic (CRA) that the Department of Kansas, SUVCW, officially withdraws from membership to the CRA.

2010 NATIONAL ENCAMPMENT COMMITTEE REPORT

PDC James R. Knopke, Chairman

Let it be known to all that the 2010 National Encampment hosted by the Department of Kansas was a success. I would say a huge success, but then that's just me. It was a long five year process and we need to recognize a lot of people. First, the Encampment Committee of Alan Russ, Tom Schmidt, Roy Lafferty, and myself for being willing to serve from the beginning to the end. We believe this was a key factor in the Department success. We were very fortunate to have extremely good talent in Kansas to provide the entertainment at the Camp Fire and the banquet. The Lecompton Players did their period piece on Bleeding Kansas at the Camp Fire and Jon and Betsy Goering played at the banquet. Both of these events were very well received by all. Our guests seemed to appreciate that we wanted to focus on what was happening 150 years ago. Along that line, we had Department members and friends dress in period costume to welcome those attending the Encampment on Thursday. There was even a rumor that General Grant was there. An added touch was the Department of Kansas Guard that acted as the color bearers for all ceremonies, including full field gear for the opening of that camp fire. They really did us proud.

There are a couple of things you should know that really saved us a lot of money. One, Tom Schmidt and Jon Goering were the ones the designed the Encampment badge, the commemorative medals and some of the art that we used. Two, Alan Russ for doing all the design work and printing for all of the handouts that were used at the Memorial Service, Campfire, and Banquet, along with a lot of work to make sure that the Encampment Book looked presentable, which it was. Three, your Encampment Committee spent a Sunday in Wichita printing and assembling the Encampment book, along with the help of Barb and Jennifer Knopke, Todd Meeks, and Jon Goering. The company that Tom works for let us their printers and Tom donated the paper. This gave us greater control over the quality of the book. Four, being part of the Host committee, Barb and Jennifer Knopke also acquired the materials and made all the decorations for the tables at the banquet and for the meeting rooms.

Last, but not least, a very big thanks goes to all the Brothers of the Department who supported this Encampment, whether it be monetarily, through hard work, or both. You are the ones who really made it the success that it was.
