PROCEEDINGS OF THE ELEVENTH ANNUAL ENCAMPMENT

SENIOR VICE COMMANDER'S REPORT

In June, I had the opportunity to represent our department at the Department of Nebraska's Encampment. It was a great chance to meet our neighbors up north. Their encampment was held at the GAR Memorial Hall in Nebraska City. The Hall now serves as a Museum to veterans of the Civil War and is a treasure that the Department of Nebraska is rightly proud. If you are ever near Nebraska City it is well worth the stop.

In August, I attended the National Encampment in Harrisburg, Pa. which I will report on later.

This September I gave a talk to the Topeka Round Table on Churchill Camp's GAR Monument project.

In October, I submitted an article that appeared in the winter's issue of the Banner. I also talked about the SUVCW to the Leavenworth's Sons of Confederate Veterans Camp (Steel), which was well received.

I attended the fall counsel meeting at Emporia in November, and I swore in most of the Lawrence camp officers in December.

In February I sponsored the Department Training Session at Mine Creek. We had about 14 attend and it was decided that next year's session will be held in Olathe. The Department will provide more information on time, topics and location at a later date.

I participated in the Mine Creek Clean-up this month. The 14 brothers who attended had a great time while going great work. Be looking for this in April next year as this has become an annual event.

I have enjoyed my time serving as your Senior Vice Commander, thank you for the opportunity.

Roy A. Lafferty, PCC
Senior Vice Commander

JUNIOR VICE COMMANDER'S REPORT

I am pleased to report we have 3 new members approved and obtained by us by on-application and approval from National JVC, David Medert. They are:

Rocky Bartlow, Meridan, KS - Assigned to Old Abe Camp #16, Topeka, KS

Skylar Roush, Overland Park, KS -Assigned to Franklin Camp #5, Olathe, KS

Larry Buckallew, Hutchison, KS - Assigned to Wichita Camp #1

I was very pleased to attend my first National Encampment last August in Harrisburg, PA. I strongly recommend the experience to all brothers, especially since this year's encampment is in nearby St. Louis, MO.

I tried to help keep the Beloit Camp viable, but this effort was unfortunate unsuccessful.

I was proud to attend many of the meetings of my home Camp in Lawrence and my dual Camp in Olathe.

In Fraternity, Charity and Loyalty,

Craig Sundell
Junior Vice Commander

SECRETARY REPORT

1. The minutes of the 10th Annual Department Encampment, April 22, 2006, were published in the Encampment Proceedings. The proceedings were approved by the full Department Council. The proceedings were distributed to each of the camps with instructions to ensure all who had attended the encampment, and any others who were interested, should have the opportunity to review them. If someone wishes to review the proceedings, I have a limited number of copies available, here. A copy of the encampment proceedings was furnished to the Kansas State Historical Society for the benefit of your descendents.

2. The Department of Kansas strength, as of March 31, 2006, was as follows:

Hereditary Members: 136 (including 9 Life Members)

Associates: 10

Juniors: 6

Total: 152 (with 146 being reportable strength to National)

3. The Department strength as of March 31, 2007, is tentatively placed at:

Hereditary Members: 129 (including 9 Life Members)

Associates: 7

PROCEEDINGS OF THE ELEVENTH ANNUAL ENCAMPMENT

Juniors: 4

Total: 140 (with 136 being reportable strength to National)

This represents a decrease in reportable strength of 6.8% for the year.

[NOTE: Final official strength for March 31, 2007, is 131 Hereditary Members, 9 Associates, 4 Juniors, with total reportable strength of 140.]

4. Joseph Gaston Camp 3, Beloit, was suspended for failure to hold elections of officers as required by the National Regulations of the Order. Two of the five members have remained with the Department.

5. In an additional duty as Editor for the Sunflower Picket, I published the four quarterly issues. I continue to use the smaller font and three columns to reduce printing costs. Those who have elected to receive the newsletter via email have also helped to keep the costs down. I very much appreciate the submission of articles by the Department Officers, camps, and others. It is truly a case where all contributions are appreciated.

6. A suggestion for future consideration by the Department is for the office of Secretary / Treasurer to be changed from a one year term to a three year term. This is permitted under the National Regulations, and it would require a change to the Department Bylaws. Generally, our secretaries have been serving for at least three years. This would help to ensure someone running for the position understands it to be a three year commitment.

5. This is to be my last Encampment as your Secretary. It has been my pleasure to serve you and to see the growth of this organization occur. This year we are in the plateau, and that needed to happen. I look forward to the Department again starting its growth, and I remain available to assist in that however the Department wishes to use me.

PATRIOTIC INSTRUCTOR REPORT

As Department of Kansas Patriotic Instructor for past year I wrote four articles for the Department newsletter "The Sunflower Picket". The topics ranged from the history of Flag Day, to challenging camp patriotic instructors to become involved in planning SUV public programs and activities, as well as an article on our duty as an organization in connection with Memorial Day.

In this capacity I also attended the 2006 Fall Council meeting as well as the 2007 Spring Department Training Session.

CIVIL WAR MEMORIALS OFFICER REPORT

Kansas Civil War Memorial/Monument Catalog

The catalog (and website) have been updated with small changes and a few additions. At present there are 195 primary memorials listed, 110 secondary memorials listed, 4 lost (destroyed) monuments listed and 12 counties which do not, as yet, have entries. Logan County (named after General John Logan) has been searched with no monuments identified. Jefferson County also seems to have no memorials but a further review is in process. The remainder of the unlogged counties are in the far southwest part of the state.

Copies of the files (including spreadsheets, text, pictures, and the web html files) will be distributed at the Department Encampment.

Respectfully submitted in Fraternity, Charity, and Loyalty,

Doug McGovern, PCC
Civil War Memorials Officer

HISTORIAN REPORT

The Historian has spent the past year primarily conducting research for various individuals interested in the SUVCW/GAR or their specific veteran. On several cases, I have communicated these requests or referred them to our brother Blair Tarr for more extensive advice or assistance at the Kansas State Historical Society.

The Historian has also spoken to various groups around Kansas including the Shepherd's Center, several county historical societies and schools on the subject of Civil War history. Talks given at the Allen County Historical Society in Iola and at Yates Center, KS were especially geared towards the Sons of Union Veterans and my own ancestor in particular. Allen County especially with its rich Civil War history would be in my estimation an excellent place to begin a camp.

I'd be glad to advise and assist the order in anyway I can in the future.

This report is respectfully submitted

ATTACHMENT B – CAMP REPORTS

CORPORAL PATRICK COYNE CAMP 1

Wichita

The Corporal Patrick Coyne Camp has experienced a busy and eventful year since our last Department Encampment. Last April our camp presented an SUVCW ROTC award at the annual Derby HS Junior ROTC spring awards ceremony. This has become an annual event for our camp. This April we again we honored to present the award at Derby HS with an additional presentation of an award at Wichita South High School.

Our May meeting as has been our custom was to perform “The Last Soldier’s Ceremony” at a local cemetery with special camp interest. Last year we honored an ancestor of one of our members at the Andover Kansas Cemetery. The camp provided a color guard and firing detail for the event. These events are usually attended by family members and friends as well as reported in the local newspapers.

In November the camp participated in the annual Wichita Veteran’s Day parade with color guard and members walking in the parade. We also held our annual fundraiser “Lincoln Remembered”. Almost 70 people were in attendance and enjoyed a meal that was provided by our camp members. After the meal Tom Leahey portrayed Abraham Lincoln for our main program. A highlight of the evening was the dedication of our new camp flag in memory of our deceased members Kenny Strader and Norman Kimery.

The camp continues to be involved with the Maple Grove Heritage Association in connection with the preservation and restoration of the Maple Grove GAR Pavilion project. We are pleased to announce that restoration has begun this year and it is scheduled to be completed sometime this fall. We look forward to being involved in the rededication ceremonies that are being planned. We have also recently become involved in the exploration of the erection of a monument in Wichita for all who served in the Civil War. Planning of this project involves the SUVCW and SCV.

Our camp meeting attendance runs around 20 members in attendance. During this last year the camp has enjoyed so great informational and educational programs in addition to our regular business. The programs have ranged from camp members sharing about their civil war ancestors, to reports on books read on a topic that is relevant to the time of the Civil War. We have also enjoyed a presentation by Doug McGovern on the Civil War monuments in Kansas. Our camp was also represented at the Department of Kansas training day and Mine Creek work day.

SERGEANT SAMUL J. CHURCHILL CAMP 4

Lawrence

Sgt. Samuel J. Churchill Camp No. 4 of Lawrence continued its fine tradition of Civil War education and remembrance this past year. In April of 2006, Dr. Gerald Pees of Lawrence and Richard Stitt of Kansas City, Missouri, discussed their Civil War veteran relative who survived both Andersonville prison camp and the sinking of the Sultana steamship. Our camp presented a medal at the ROTC award ceremony at the University of Kansas in May, and author Tom Mach talked about his Civil War research for his book All Parts Together. Memorial Day weekend found our camp members placing more than 350 flags on the graves of Civil War veterans in five cemeteries in the Lawrence area. This activity generated positive publicity for our camp in the Lawrence Journal World newspaper and on local cable Channel 6 news.

Our June meeting featured Rebecca Phipps and her staff at the Watkins Museum, our monthly meeting place, taking us on a tour of Civil War and related artifacts in the historical collection. Kerry Altenbernd attended our June meeting and updated us on the preservation efforts at the Blackjack battlefield. The educational programs of the week-long Civil War on the Western Frontier are the highlight of Lawrence in August, and our camp sponsored talks on “Faces of the 8th Kansas” by William McFarland and “Battle of Wilson’s Creek” by Lt. Col. Thomas Zachary, USMC retired. We also had a recruiting both in South Park over the weekend along with a collection of Civil War artifacts, some of which were in a silent auction as a camp fund raiser. Lisa Winters discussed different types of photographic methods practiced during the Civil War period at our September meeting, and Robert Collins spoke about his book General James G. Blunt – Tarnished Glory in October. In November, several camp members attended the Veterans Day Parade in Ottawa for purposes of remembrance and recruiting.

ATTACHMENT B – CAMP REPORTS

The year 2007 began with a presentation on “Civil War Medicine” by Herschel Stroud of Topeka. John Jackson discussed “Sleeping Heroes, the Men Who Made Kansas” and his efforts to document Civil War veteran graves all across the state. KU History Professor Jennifer L. Weber gave a presentation on her book Copperheads: The Rise and Fall of Lincoln’s Opponents in the North at our March meeting. She also had copies of her book, published by Oxford University Press, available for sale at that time.

Sadly, one of our members, Bill Elzea of Lawrence, passed away earlier this year. Several of our camp attended the memorial service and the local American Legion post held a ceremony. Our fund raising efforts during this past year were designated for the restoration of a GAR monument in Pioneer Cemetery on the West Campus of the University of Kansas. This monument was originally dedicated slightly more than 100 years ago, and hope remains that this monument can be re-dedicated during the Memorial Day weekend of 2007.

FRANKLIN CAMP 5 Olathe

Franklin Camp #5 has had quite a unique year. We have endured some difficult transitions. I do feel we have over come them and are well on our way to a great year.

The camp does a Memorial Day Ceremony and a Veterans Day Ceremony at the Olathe Memorial Cemetery annually. Brother Bill Stilley has done a tremendous job in getting the Civil War Veterans from there input into the Veterans Registration website. With the information recorded, we use it to put out flags at their headstones. Flags, we have raised money for through small auctions and donations from members. We plan to spread our ceremonies out over time and include other areas or cemeteries around the Kansas City area. We are in hopes of sparking the start of a new SUVCW Camp in Kansas City. We have also setup a recruitment table at the Civil War on the Boarder at Mehaffie House in Olathe.

Over the last few months our Patriotic Instruction has become most interesting. Brother Lane Smith has scheduled some very exciting speakers, which I think will spark more of the membership to attend, and join.

We are entertaining the possibility of changing to a more available location to have our meetings. This would allow for a bit more time to conduct camp business, as well as have the informative speakers.

In closing I would like to thank the officer’s of the Department of Kansas for their support and for the training classes, don’t know where we would be without them. I imagine Alan Russ would be pulling his hair out a little more if we didn’t have something. I would also like to thank Franklin Camp #5 for allowing me the opportunity to serve as their Commander.

OLD ABE CAMP 16 Topeka

The following outlines the activities of this Camp for the last year.

Old Abe Camp lost its Commander at mid-year when CC Randal Durbin was elected Department Commander at the 10th Annual Department Encampment in April 2006. I was appointed to serve the remainder of his term, and was then elected Commander for the current year.

During the year our membership has declined by two. A member transferred to Franklin Camp 5 and two did not renew their membership. These losses were offset by the gain of new member Jack Puett. He has shown a lot of early interest in our Camp activities, and further takes time to do some reenacting as a Civil War artillery crewman. His membership was effective at our April meeting and he is attending this Encampment

In order to increase public exposure to our unique organization, we developed (borrowing the concept from another Camp) an Information Brochure introducing our Camp, explaining our purpose(s), and listing all appropriate contact information. These are provided as "hand outs" at locations in the Topeka/Shawnee County, historical sites, genealogical research libraries, museums, and similar locations. We believe based on the number of brochures being taken, that there is an increased interest. Time will tell.

Placing flags at the graves of Civil War soldiers buried in the Topeka Cemetery on Memorial Day is our main activity to provide public display of honor to Civil War veterans. For this project, we partner with local Boy Scouts.

We continue to improve the condition of gravestones in the Cemetery there. Over the years, the results of this effort is apparent - many of these very old stones, were sinking, leaning, or overturned. They have been reset or straightened giving a very positive effect to the appearance of those sections. This project is naturally limited to the better weather months of spring and fall. Usually 1 Saturday morning a month, and our members seem to enjoy this involvement in a worthy cause. This year we had some members attend and participate in Work Day conducted by the Mine Creek Camp.

Everyone is looking forward to another successful year.

ATTACHMENT C – COMMITTEE REPORTS

NATIONAL ENCAMPMENT COMMITTEE REPORT

This past National Encampment at Harrisburg, PA, Randy Durbin, Department Commander, Alan Russ, PDC, Roy Lafferty, PCC and I met with Jim Huston of the National Site Committee. Again we affirmed to Jim that the Department of Kansas was still interested in hosting a National Encampment hopefully in 2010. Jim was excited that Kansas was still willing to host an encampment and mentioned that they were not sure of '09 because they did not know at that time if Kentucky would be ready and Jim indicated that they might look to us for that year. We informed him that '09 would work for us if that would help out National.

Jim was most appreciative about the binder we supplied them the year before as it gave the committee the basic information they would need. Which was why he was hoping we would take 2009 if need be because we had done more work than any other Department wanting to host one, including Kentucky. From this information he thought that the Sheraton Convention Center of Overland Park met all their needs.

He then wanted to talk about the following three things:

1. He was concerned about the cost of the Brothers getting to Kansas City from the east and west coast and we told him that KCI was a major hub and had lots of flight from both coasts that were cheaper than what we paid to Harrisburg, which was about \$100 more than getting to KC from those major airports. As I remember Jim did not say too much one way or the other about this cost.
2. Also he was concerned about transportation from KCI to the hotel. When I returned from National I met with Nichole with the Sheraton and Mindy with the Overland Park Convention Center about this issue. Nichole informed me that the Sheraton did not have a shuttle service but they were willing to help out in some way. Mindy said that the normal trip from the airport to hotels in that area ran about \$35.00 each way but they could probably get one of the shuttle services to do it for \$20.00 each way. This is 2006 pricing and she was not sure what it would be in 2009 or 2010. Jim was happy to hear about this price reduction.
3. The committee was wondering if the Sheraton would extend the SUVCW special room rate to more rooms if they sold out of all their reserved rooms. The reason he asked this was that in Harrisburg they ran out of rooms and the hotel would not extend the special rate to any remaining rooms. Nichole indicated that as long as they had rooms available they would work with the SUVCW in adding more rooms. This also seemed to impress Jim.

So as it stands now the committee has gone with Kentucky for 2009 and we will again have to make a bid for 2010.

MINE CREEK BATTLEFIELD COMMITTEE REPORT

At the 2006 Annual Department Encampment the following were appointed to serve on this committee, PDC Thomas E. Schmidt, PCC Randal L. Durbin, PCC Roy A. Lafferty, PDC Kenneth R. Spurgeon, and Robert L. Woody. The purpose of this committee is coordinate and work with the Mine Creek Battlefield Foundation and the Kansas State Historical Society to explore ways to improve the condition of the battlefield, and to enhance the experience of visitors to the battlefield and to help ensure the preservation of the battlefield.

To this end the committee decided to try to interface with Mine Creek as part of the Civil War Preservation Trust work day held annually in the spring. It was felt this was a great way to get SUV members on site and perform various tasks as designated by both the Foundation and site coordinator. The date of April 7, 2007 was designated as CWPT work day at battlefields around the country. Word was sent out to the camps to promote the day and all SUV members were invited to attend. A total of 13 Department of Kansas SUV members arrived on site and spent the day clearing log jams near the SUV bridge and cutting, clearing and burning brush. A day of work, fun, and

camaraderie was had by all. It was felt this is a very worthwhile endeavor in our relationship with the site and should be continued in the future

REPORT ON LAST SOLDIER PROJECT/GAR RECORDS PROJECT

LAST SOLDIER PROJECT – As of April 27, 2007, we still have 15 counties in which we don't have a potential "Last Soldier"—which is exactly an improvement of one county over last year's report. But, 90 out of 105 isn't bad!

Progress is being made, however, because claims on the last soldier have been tightened in many of the counties, and additional supporting evidence has been received throughout the year. It does appear that in many counties, this has touched a chord with local historians.

GAR RECORDS—This project has been a slower effort to move forward because of the effort to contact each historical society and / or library in each county. Most information accumulated to date has been in response to the Last Soldier project.

Brothers have been transcribing local post records that are available at the Kansas State Historical Society. While it appears to be progressing, this has hit a snag for reasons I'm not sure I completely understand. In any case, part of this seems to be in the transcription of records at local historical societies, and in part because of a staffing change at KSHS. I will talk to KSHS Archives division leaders about how this can or should progress. But for now, anyone interested in volunteering to do so should get in touch with me for the time being.

REPORT ON THE 2006 NATIONAL ENCAMPMENT

The Sons of Union Veterans of the Civil War held its 125th Annual Encampment in August 2006 at Harrisburg, Pennsylvania. The Department of Kansas was represented by six brothers: Department Commander Randal L. Durbin, PDC Alan L. Russ (also Department Secretary), PDC James R. Knopke, Department SVC Roy A. Lafferty, Department JVC Craig A. Sundell, and Robert L. Wandel. This is the first National encampment where the entire primary elected Department officers were able to attend since the Department was reformed in 1996.

James Pahl, Department of Michigan, was elected as the Commander-in-Chief of the SUVCW for the upcoming year, Charles Kuhn, Department of Pennsylvania, was elected as Senior Vice Commander-in-Chief, and David Medert, Department of Ohio, was elected as Junior Vice Commander-in-Chief. From a local point of interest, Alan Russ was reappointed as National Membership at Large Coordinator.

JVC Craig Sundell, PCC, Earl McIntosh, PCC and Commander Randy Durbin, PCC were presented awards for recruiting in 2005-2006. PDC Alan Russ received the Marshall Hope Award for the best Department newsletter. Other department awards for recruiting were not presented at the encampment, but these awards show the strength of our department. Keep up the good work. All in attendance had a good experience.

Please consider attending the 2007 National Encampment in Saint Louis, Missouri on August 10th and 11th. With the encampment being this close to home, it is an excellent chance for those of you who have never had the opportunity to see the workings of the Order in action to do so. The Department elects its National delegates today so speak up if you plan to go; however, if a brother later finds out he can attend, the Department Commander can approve the delegate status.

REPORT ON 2006 CENTRAL REGION ASSOCIATION OF THE ALLIED ORDERS OF THE GRAND ARMY OF THE REPUBLIC CONFERENCE

PDC Alan Russ, PDC Jim Knopke, and I attended the 2006 Annual Conference for the Allied Orders Central Region. The meeting was held October 7, 2006 at the Marriott Hotel in Cedar Rapids, Iowa. This was also the location for the 2004 National Encampment.

The meeting was hosted by the Iowa Department with an attendance of around 25 members of the Allied Orders from the Central Region. The morning session covered the efforts of the Iowa Department working with the State to preserve the battle flags of Iowa units and other flags in the possession of the State of Iowa used during the Civil War. The Iowa Department has devoted much time and expense to gather and preserve these flags. We are lucky our State Historical Society here in Kansas began this process several years ago and presented a wonderful display at our encampment in 2002.

The afternoon session was on the subject of working with your state legislators on issues important to the honoring of our Union Civil War veterans. The importance of patience and being mindful of the legislative process while accomplishing your goals was emphasized.

This year's conference will be held October 6th at Crawfordsville, Indiana. Crawfordsville is the home of Lew Wallace, Civil War General and author of "Ben Hur" while Territorial Governor of New Mexico after the war.
